

Sum of Each

We are Sum of Each

With musical offerings that span decades and styles, we bring you songs you know and love while staying true to our barbershop roots.

Mix in some humor and you've got the perfect fit for your entertainment needs.

Whether it's a special occasion or you routinely book performers, Sum of Each will have a package tailored to fit.

How do we prepare a Sum of Each performance?

- *Start with a base of jazz standards.*
 - *Mix in equal portions of swing and barbershop harmony.*
 - *Season liberally with humor,*

And you've got a dish that's sure to please.
